

## **Hornsey Neighbourhood Management**

### **Aims and objectives**

The Neighbourhood Management team has been working with local residents and traders on a number of initiatives.

- The delivery of the Making the Difference projects which are chosen through the Area Assembly meetings annually.
- Community Street Audits which are led place with local residents which are also attended by local councillors. They give local residents an opportunity to point out problems on the streets and for officers to then take action.
- Community projects on the Campsbourne Estate and in Hornsey such as Christmas Parties and the Festive Lights in Crouch End which were paid for by Neighbourhood Management.
